This section does not apply in cases where Clause 29.12 has been applied in altering a shift schedule.

29.06 Additional optional scheduling provisions may be mutually agreed to, in writing, between the Employer and the Union.

29.07 Part-Time Employees shall be aware that, in the course of their regular duties, they may be required to work on various shifts throughout the twenty-four (24) hour period of the day and the seven (7) days of the week. The first shift of the working day shall be the one wherein the majority of hours worked fall between twenty-four hundred (2400) hours and zero eight hundred (0800) hours.

29.08 A Regular Part-Time Employee shall not be scheduled to work more than two (2) different shifts between scheduled days off except as mutually agreed between the Employer and the Part-Time Employee.

When a request to work evenings or nights only is accommodated, the Part-Time Employee may only alter that request by the giving of fourteen (14) weeks' notice of intention.
- (d) Part-Time Employees working shift choices (i), (v) and (vii), shall be assigned day duty at least point three three (.33) of the time during the shift cycle. For the purpose of applying the foregoing, a Part-Time Employee will be deemed to have been assigned day duty for those periods of time absent on vacation or on or for a Named Holiday that would have, except for such absence, been day duty to which the Part-Time Employee would have been assigned in accordance with the shift schedule. Scheduled days of rest shall not be considered as day duty for the purpose of applying this provision.

29.10 In the event a Part-Time Employee's scheduled shift is cancelled with less than fourteen (14) days' notice, a make-up shift shall be scheduled for the next following cycle of the shift schedule. (b) The Part-Time Employee shall be paid for the time taken off in place of overtime pay at the same rate the Part-Time Employee would have been paid wages had the Part-Time Employee worked these hours on a normal working day.

(c) If time off in place of overtime pay is not provided and taken in accordance with the foregoing, the Part-Time Employee will be paid overtime in accordance with Sub-Clause 29.16 (a).

Trading Shifts

29.15 (a) Employees may trade shifts among themselves, provided that:

- (ii) eight percent (8%) during the second (2nd) to ninth (9th) employment years; or
- (iii) ten percent (10%) during the tenth (10th) to nineteenth (19th) employment years; or

(b) Supplementary Vacation

Regular Part-time Employees shall earn supplementary vacation upon reaching the employment anniversary dates of twenty-five (25), thirty (30), thirty-five (35), forty (40), and forty-five (45) years of continuous service. On each of these occasions, Employees shall earn an additional two percent (2%) of supplementary vacation hours to be scheduled in accordance with Article 29.21(c).

Each supplementary vacation amount is a one-time credit to be taken by the Employee prior to the next supplementary vacation employment anniversary date.

The number of hours of supplementary vacation pay for each period of supplemental vacation will be based upon the following formula:

the hours paid as a Regular Employee, excluding overtime, during the preceding employment year, multiplied by 2%. Payment for these hours is based on the Basic Rate of Pay in effect on the date the supplemental vacation leave commences.

(c) Time of Vacation

- (i) As far as possible, Part-Time Employees shall be granted their choice of vacation periods; however, the final allotment of vacation remains within the responsibility and the authority of the Employer.

- (vii) A request may be made in writing to the Employer to utilize vacation credits prior to the completion of the vacation year in which the credits are earned. The request shall be subject to the approval of the Employer and shall not exceed the number of vacation days accrued to the date of the request.

(d) Vacation Earning Portability

Where a voluntarily terminated Part-Time Employee commences employment within six (6) months of date of termination of employment with another Employer signatory to an agreement containing this provision, such Part-Time Employee shall, after one (1) year of service, receive vacation pay as though their employment has been continuous. At the request of the Part-Time Employee the Employer shall provide the Part-Time Employee with a written statement of their vacation entitlement upon termination.

29.22 A Part-Time Employee required by the Employer to return to work during their vacation will receive two times (2X) their Basic Rate of Pay for hours worked. In addition to receiving premium pay, the time worked will be rescheduled as vacation leave with pay.

Sick Leave

29.23 Sick leave is provided by the Employer, for the purpose of maintaining regular earnings during absences due to illness or accident for which compensation is not payable under the *Workers' Compensation Act* or for quarantine by a Medical Officer of Health.

29.24 On completion of the stipulated probationary period a Regular Part-Time Employee will receive a credit for sick leave computed from the date their continuous service commenced at the rate of one point five (1.5) working days for each full month of employment, up to a maximum of one hundred and twenty (120) working days prorated on the basis of the regularly scheduled hours worked by the Part-Time Employee in relation to the regularly scheduled hours for a Full-Time Employee. Provided however, that a Part-Time Employee shall not be entitled to apply sick leave credits for absences due to illness occurring prior to the completion of their probationary period, nor for additional shifts worked pursuant to Clause 29.11. Sick leave credits shall not accrue during any absence that results from:

- (i) an illness; or
- (ii) an injury; or
- (iii) a layoff; or
- (iv) a leave of absence; or
- (v) an unpaid leave while in receipt of weekly indemnity as provided for by the Short Term Disability Insurance Plan or the Long Term Disability Insurance Plan; or
- (vi) an absence while in receipt of compensation from the Workers' Compensation Board;

where the period of such absence is in excess of thirty (30) calendar days.

- 29.25 Part-Time Employees reporting sick shall advise the Employer as soon as possible by placing a telephone call to the Centre in accordance with the Centre's or department's procedure. The Employee shall advise the Employer of an expected return to work date. Part-Time Employees may be required to substantiate, in the form prescribed by the Employer, any claim for sick leave in the following circumstances:
- (a) For any incident of sick leave of five (5) days' duration or longer; and
 - (b) After the fourth (4th) and subsequent incident of sick leave of any duration.

- 29.26 Subject to the above, a Part-Time Employee granted sick leave shall be paid at their Basic Rate of Pay for regularly scheduled shifts absent due to illness, and the number of hours thus paid shall be deducted from their accumulated sick leave credits up to the total amount of their accumulated credits at the time sick leave commenced.
- 29.27 When a Part-Time Employee has accrued the maximum sick leave credit of one hundred and twenty (120) working days, they shall no longer accrue sick leave credits until such time as their total accumulation is reduced below the maximum. At that time they shall recommence accumulating sick leave credits.
- 29.28 If a Part-Time Employee requires time off for the purpose of attending a dental, physiotherapy, optical or medical appointment, provided they have been given prior authorization by the Employer, such absence shall be neither charged against their accumulated sick leave nor shall the Employee suffer any loss of income provided such absence does not exceed two (2) hours during one (1) working day. If the absence is longer than two (2) hours, the whole period of absence shall be charged against their accumulated sick leave. Part-Time Employees may be required to submit satisfactory proof of such appointment.
- 29.29
- (a) Except as hereinafter provided, sick leave will not be paid in respect of any illness or injury which is incurred during a period of scheduled vacation once vacation leave has commenced. In the event that the illness or injury prevents the Part-Time Employee from resuming their duties at the conclusion of the vacation period and they have substantiated their claim for sick leave, income continuance thereafter will be in accordance with Clause 29.27. Notwithstanding the foregoing, should a Part-Time Employee demonstrate to the satisfaction of the Employer that they were admitted to a hospital as an "inpatient" during the course of their vacation, they shall be deemed to be on sick leave for the period of the stay in hospital, subject to the provisions of Clause 29.27. Vacation time not taken as a result of such stay in hospital shall be rescheduled to a mutually agreed later time frame.
 - (b) In the event an illness or injury preventing a Part-Time Employee from performing their usual duties, occurs prior to the scheduled start of the vacation period, and provided proper substantiation of their claim to sick leave has been provided, the absence on account of the illness or injury will be treated as sick leave pursuant to Clause 29.27 until the Part-Time Employee has recovered sufficiently to permit the resumption of their usual duties. Time not utilized as vacation leave as a result of the above illness or injury will be rescheduled to a mutually agreed later time frame.
- 29.30 Upon request of a Part-Time Employee but not more frequently than once a year, the Employer shall advise a Part-Time Employee of their accrued sick leave credits.
- 29.31 A Part-Time Employee who has accrued sick leave entitlement under the terms of this

Collective Agreement shall, upon the voluntary termination of their employment with the Employer, be entitled to retain such entitlement provided they enter into employment at a Centre at which the Employer is also party to an agreement with an identical sick leave provision, within six (6) months of the date of their termination of employment. Otherwise sick leave credits shall be cancelled and no payments shall be due therefore. This entitlement shall not apply during the Part-Time Employee's probationary period. At the request of the Part-Time Employee, the Employer shall provide the Part-Time Employee with a written statement of their accumulated sick leave entitlement upon termination.

29.32

A Part-Time Employee who has exhausted their sick leave credits during the course of an illness, and the illness continues, shall be deemed to be on leave of absence without pay or benefits except as provided in Sub-Clause 27.01(g), for the duration of the illness or as provided below, whichever first occurs. The Part-Time Employee shall keep the Employer advised as to when they shall be expected back to work and shall, in the case of a long-term illness, provide the Employer with fourteen (14) days' written notice of readiness to return to work and:

- (a) if a Part-Time Employee is capable of performing the duties of their former position, they shall be reinstated by the Employer in the same position which they held immediately prior to their disability at not less than the same pay step in the Salaries Schedule and other benefits that accrued to them prior to their disability;
- (b) if a Part-Time Employee is incapable of performing the duties of their former position, but is capable of performing the duties of their former classification, a reasonable effort shall be made by the Employer to place them in an available position that they are capable of performing. RE: PORTABILITY OF SENIORITY BETWEEN AUPE BARGAINING CERTIFICATE UNITS

As a result of the consolidation of bargaining unit certificates held by the Alberta Union of Provincial Employees (AUPE) within the Capital Care Group Inc. (CCGI) and pursuant to the *Labour Relations Code*, the Parties agree on certain principles in the administration and application of seniority rights for Employees within the bargaining units (Certificates #55-2008 and #138-2012). These principles are based on the past practice of the Parties and they shall be maintained and applied consistently to these bargaining units.

The Parties hereby agree to the following:

1. Seniority is "Portable" from one Centre to another Centre within an AUPE bargaining unit. If an Employee transfers from one Centre to another Centre and remains within either AUPE bargaining unit (Certificates #55-2008 and #138-2012), he/she retains his/her seniority date in accordance with the provisions of the respective Collective Agreement. "Centre(s)" mean(s) the individual site(s) operated by CapitalCare as identified in the Preface of the respective Collective Agreements.
2. All Seniority rights under the respective Collective Agreement as it pertains to Appointments, Transfers and Promotions, and Layoff and Recall provisions are limited to each Centre (i.e. selection of vacant positions or layoff protocols are limited to each Centre).
3. The Union and the Employer may, with mutual agreement, explore the possibility of absorbing laid off Employees into vacant positions at other Centres as a result of layoff from their originating Centre.
4. Affected Employees will have their seniority dates adjusted in accordance with this Letter of Understanding.

RE: WORKLOAD APPEAL PROCESS

The Parties recognize the importance of discussions regarding workload. Workload is understood to be an objective assessment of the *support* (staffing, training, communication, skill mix), *equipment* (devices, technology, supplies), and/or *time* available to the Employee to complete their assigned work.

The Parties recognize that workload may fluctuate and may be impacted by numerous factors including, but not limited to: acuity, changes in patient population, seasonality, surge periods, process improvements and efficiencies, staff/resource fluctuations, and increasing demands. As such, the Parties agree that only workload concerns that are ongoing, systemic, and long-term in nature (evidenced by the fact that the concern has continued for a minimum period of ninety (90) calendar days) may be considered as part of the Workload Appeal Process.

The Employee shall first discuss their workload concern with their immediate supervisor and attempt to resolve the matter at this stage. In the event that it is not resolved, the Employee has the right to request a formal evaluation of a workload concern through the following 'Workload Appeal Process' (WAP):

LEVEL 1

Where an Employee or group of Employees have workload concerns that are ongoing, systematic and long-term in nature, the Employee(s) may request, in writing, that their Manager conduct a formal workload evaluation. In this written submission, the Employee(s) must include an explanation of the factors they believe are leading to workload concerns, based on the understood components of workload (support, equipment and/or time to complete assigned work). Employees are also encouraged to include their proposed solutions to the workload concerns in the written submission. The Manager (or designate) shall meet with the Employee within fourteen (14) calendar days of receiving the request in order to discuss and resolve the specifics of the concern(s). The manager shall respond in writing within twenty-one (21) calendar days of the meeting.

LEVEL 2

If the Manager and the Employee or group of Employees are unable to resolve the concern at Stage 1, the Employee(s) may, within seven (7) calendar days of the response at Level 1, request the Site Director (or designate) undertake a further review of their workload concerns. The Site Director (or designate) shall meet with the Employee within fourteen (14) calendar days and shall reply in writing within twenty-one (21) calendar days of the meeting.

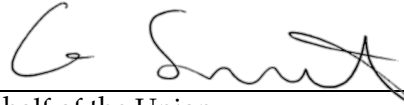

The time limits in the Workload Appeal Process may be extended by mutual agreement of the Parties. A subsequent evaluation request for the same workload concern within the same unit or area may only be made where substantive changes have occurred since the last review.

Dispute Resolution:

- (a) The application of the processes of this Letter of Understanding is subject to Article 37: Grievance Procedure.
- (b) The final decision regarding the outcome of the Workload Appeal Process is not subject to Article 37: Grievance Procedure.

RE: CONTRACTING OUT

In the event the Employer deems it appropriate to enter into a long term agreement with a third party to contract out work normally performed by Bargaining Unit employees and if such contracting out will result in the lay-off of any employee from the bargaining unit, it will notify the Union and employees of its intent.

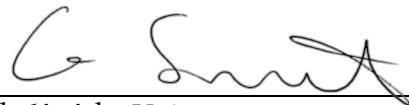

Prior to finalizing any plans to contract out bargaining unit work, the Employer will offer the Union a consultation process that includes the Employer:

1. Providing 90 days' written notice to the Union of its intent to contract out bargaining unit work.
2. Providing the Union with 30 days from the date of notice in point 1 above to assess and provide a written alternative potential course of action for the Employer's consideration.
3. Giving reasonable consideration to the Union's alternative proposal if it is received within 30 days in accordance with point 2 above.
4. Giving notice to the Union of its final decision to contract out or to seek further discussion with the Union should the Union's alternative proposal have merit.

If, after the consultation process, the Employer determines the preferred course of action is to continue with its plan to contract out Bargaining Unit work, the Employer agrees to meet with the Union upon request to discuss opportunities to mitigate the effects of contracting out on the affected employees.
