

# ANTI-PRIVATIZATION FACT SHEET

## Why are We Against Privatization?

- Privatization undermines Labour's commitment to a better society
- Public Services are accountable
- Privatization increases the likelihood of foreign control
- Privatization often leaves our members with poor wages and working conditions
- Privatization causes community disintegration
- Privatization decreases job security and leads to stress
- Privatization can lead to a loss of union protection
- Privatization threatens workers everywhere
