The ratio of work days to non-work days shall not exceed five to two (5:2) in a six (6) calendar week period.

32.03 Regular hours of work shall be deemed to:

- (a) include, as scheduled by the Employer, two (2) rest periods of fifteen (15) minutes during each full working shift of seven point seven five (7.75) hours; or

32.04 Subject to Clause 32.11 shift schedules shall be posted twelve (12) weeks in advance or such shorter period as is mutually agreed between the Employer and the Union. The Employer shall allow a representative of the Union to reproduce a copy of the posted shift schedule.

32.05 (a) Except in cases of emergency or by mutual agreement between a Part-Time Employee and the Employer, shift schedules shall provide for:

- (i) at least fifteen point five (15.5) hours off duty between shifts;

This section does not apply in cases where Clause 32.12 has been applied in altering a shift schedule.

32.06 Employees shall be aware that, in the course of their regular duties, they may be required to work on various shifts throughout the twenty-four (24) hour period of the day and the seven (7) days of the week. The first shift of the working day shall be the one wherein the majority of hours worked fall between twenty-four hundred (2400) hours and zero eight hundred (0800) hours.

When a request to work evenings or nights only is accommodated, the Employee may only alter that request by the giving of fourteen (14) weeks' notice of intention.
- (d) Employees working shift choices (i), (v) and (vii), shall be assigned day duty at least zero point three three (0.33) of the time during the shift cycle. For the purpose of applying the foregoing, an Employee will be deemed to have been assigned day duty for those periods of time absent on vacation or on or for a Named Holiday that would have, except for such absence been day duty to which the Employee would have been assigned in accordance with the shift schedule. Scheduled days of rest shall not be considered as day duty for the purpose of applying this provision.

32.08 In the event an Employee's scheduled shift is cancelled with less than fourteen (14) days' notice, a make-up shift shall be scheduled for the next following cycle of the shift schedule. When an Employee reports for work as scheduled and is informed that the shift has been cancelled, the Employee will be compensated for the inconvenience by the payment of three (3) hours' pay at the Employee's basic rate of pay.

32.11 Except when application of this Article is waived by mutual agreement between the Employee and the Employer, if, in the course of a posted schedule, the Employer changes an Employee's scheduled shift, she shall be paid at the rate of two times (2X) her basic rate of pay for all hours worked during the first shift of the changed schedule, unless fourteen (14) calendar days' notice of such change has been given.

- 32.12 On the date fixed by proclamation, in accordance with the *Daylight Savings Time Act*, of conversion to Mountain Standard Time, regular hours of work shall be extended to include the resultant additional hour with additional payment due therefore at the applicable overtime rate. On the date fixed by said *Act* for the resumption of Daylight Savings Time, the resultant reduction of one (1) hour in the shift involved shall be effected with the appropriate deduction in regular earnings.
- 32.13 (a) Employees may exchange shifts among themselves, provided that:
- (i) the exchange is agreed to, in writing, between the affected Employees; and

Two times (2X) her basic rate of pay shall be paid for work in excess of seven point seven-five (7.75) hours on such day.
- 32.16 A Part-Time Employee required to work on Christmas Day or the August Civic Holiday shall be paid at two times (2X) her basic rate of pay for all hours worked.

Sick leave is provided by the Employer, as a form of insurance, for the purpose of maintaining regular earnings during absences due to illness or accident for which compensation is not payable under *The Workers' Compensation Act* or for quarantine by a Medical Officer of Health.

32.24

On completion of the stipulated probationary period a Regular Part-Time Employee will receive a credit for sick leave computed from the date her continuous service commenced at the rate of one point five (1.5) working days for each full month of employment, up to a maximum of one hundred and twenty (120) working days prorated on the basis of the regularly scheduled hours worked by the Employee in relation to the regularly scheduled hours for a Full-Time Employee. Provided however, that an Employee shall not be entitled to apply sick leave credits for absences due to illness occurring prior to the completion of her probationary period, nor for additional shifts worked pursuant to Clause 32.10. Sick leave shall not accrue during periods of the following absences which exceed thirty (30) calendar days:

- (a) illness;
- (b) injury;
- (c) layoff;
- (d) leave of absence;

- (e) unpaid leave while in receipt of weekly indemnity as provided for by the Short Term Disability Income Insurance Plan or the Long Term Disability Income Insurance Plan; and

Employees may be required to substantiate, in the form prescribed by the Employer, any claim for sick leave. Payment of sick leave benefit shall not be effected until required substantiation has been supplied.
- 32.26 Subject to the above, a Part-Time Employee granted sick leave shall be paid for the period of such leave at the basic rate of pay and the number of hours thus paid shall be deducted from her accumulated sick leave credits up to the total amount of the Employee's accumulated credits at the time sick leave commenced.

At that time she shall recommence accumulating sick leave credits.

Employees may be required to submit satisfactory proof of such appointment.
- 32.29
 - (a) Except as hereinafter provided, sick leave will not be paid in respect of any illness or injury which is incurred during the period of the scheduled vacation once vacation leave has commenced. In the event that the illness or injury prevents the Employee from resuming her duties at the conclusion of the vacation period and she has substantiated her claim for sick leave, income continuance thereafter will be in accordance with Clause 32.26. Notwithstanding the foregoing, should an Employee demonstrate to the satisfaction of the Employer that she was admitted to a hospital as an "inpatient" during the course of her vacation, she shall be deemed to be on sick leave for the period of the stay in hospital, subject to the provisions of Clause 32.26. Vacation time not taken as a result of such stay in hospital shall be rescheduled to a mutually agreed later timeframe.
 - (b) In the event an illness or injury preventing an Employee from performing her usual duties occurs prior to the scheduled start of the vacation period, and provided proper substantiation of her claim to sick leave has been provided, the absence on account of the illness or injury will be treated as sick leave pursuant to Clause 32.26 until the Employee has recovered sufficiently to permit the resumption of her usual duties. Time not utilized as vacation leave as a result of the above illness or injury will be rescheduled to a mutually agreed later time frame.

- 32.30 Upon request of a Part-Time Employee but not more frequently than once a year, the Employer shall advise an Employee of her accrued sick leave credits.
- 32.31 A Part-Time Employee who has accrued sick leave entitlement under the terms of this Collective Agreement shall, upon the voluntary termination of her employment with the Employer, be entitled to retain such entitlement provided she enters into employment at an Institution at which the Employer is also party to an agreement with an identical sick leave provision, within six (6) months of the date of her termination of employment. Otherwise sick leave credits shall be cancelled and no payments shall be due therefore. This entitlement shall not apply during the Part-Time Employee's probationary period. At the request of the Part-Time Employee, the Employer shall provide the Employee with a written statement of her accumulated sick leave entitlement upon termination.
- 32.32 A Part-Time Employee who has exhausted her sick leave credits during the course of an illness, and the illness continues, shall be deemed to be on leave of absence without pay or benefits except as provided in Sub-Clause 30.01(f), for the duration of the illness or as provided below, whichever first occurs. The Part-Time Employee shall keep the Employer advised as to when she shall be expected back to work and shall provide the Employer with twenty-eight (28) days' written notice of readiness to return to work and:
- (a) if the Part-Time Employee is capable of performing the duties of her former position she shall be reinstated by the Employer in the same position which she held immediately prior to her disability at not less than the same step in the pay scale and other benefits that accrued to her prior to her disability;
 - (b) if the Part-Time Employee is incapable of performing the duties of her former position, but is capable of performing the duties of her former classification, a reasonable effort shall be made by the Employer to place her in an available position that she is capable of performing. In such a case the Union agrees to waive the posting provisions of the Collective Agreement.
- 32.33 (a) Regular Part-Time Employees may work flexible hours by mutual agreement between the Employee and the Employer, whereby at a mutually agreeable time the Employer will provide and the Employee shall take time off:
- (i) for those hours worked during the normal rest period; and
 - (ii) in place of overtime pay for those hours worked in excess of seven point seven five (7.75) hours in a day or thirty-eight point seven five (38.75) hours in a week averaged over one (1) cycle of the shift schedule, in which event Clauses 32.02, 32.04, 32.05, 32.12 and 32.14 have no application.
- (b) The Part-Time Employee shall be paid for the time taken off in place of overtime pay at the same rate the Employee would have been paid wages had the Employee worked these hours on a normal working day.

- (c) If time off in place of overtime pay is not provided and taken in accordance with the foregoing, the Employee will be paid overtime in accordance with Sub-Clause 32.14(a).

LETTER OF UNDERSTANDING #3

BETWEEN

BETHANY CARE SOCIETY

AND

THE ALBERTA UNION OF PROVINCIAL EMPLOYEES

RE: BENEFITS SPENDING ACCOUNTS

It is understood and agreed that the Letter of Understanding #2 - *Re: Flexible Health Spending Account (Quality of Life Account)* is replaced in its' entirety with this Letter of Understanding.

Effective January 1, 2017, the Employer will provide the following Benefits Spending Accounts available to Employees who are benefits eligible on January first (1st) of each year. There is no pro-rating for employees with mid-year eligibility.

- Personal Spending Account (PSA) – Taxable
- Health Care Spending Account (HCSA) – Non-Taxable. Under the prior agreement this was called a Flexible Spending Account or Quality of Life Account. Effective January 1, 2017, the HCSA will be offered in conjunction with the PSA noted above.

Transition

Employees will be able to, subject to CRA regulations, carry forward any unused allocation in an employee's Flexible Health Spending Account (Quality of Life Account) (under Letter of Understanding #2) as of December 31, 2016 for a maximum of one (1) calendar year.

Annual Allocation

On January first (1st) of each year (commencing on January 1, 2017), a sum of seven hundred and fifty dollars (\$750.00), per each benefits eligible Full-Time Employee shall be provided by the Employer for the Employee to allocate to one or both of the Spending Accounts noted above.

The Spending Account allocation shall be provided to benefits eligible Part-Time Employees on a pro-rated basis. In order to facilitate enough time for the administrative process, the amount of the allocation for Part-Time Employees will be based on their Full-Time equivalency as of October fifteenth (15th) of each calendar year, rounded to the next higher dollar (\$1.00).

The Employee may allocate funds in whole or in part to the non-taxable Health Care Spending Account (HCSA) and/or to the taxable Personal Spending Account (PSA). Towards the end of each year Employees will be required to allocate their next year's Spending Account into one or both of the accounts (whole dollar amounts only). *Once Employees provide their allocation instructions, they will be unable to change their allocation until the following plan year. Each Plan year runs from January first (1st) to December thirty first (31st).*

Option forms will be distributed by November fifteenth (15th) of each year and Employees must return their completed allocation forms to Human Resources no later than December first (1st).

Employees who are laid off after January first (1st) in the year in which the funds are available, shall maintain access to the funds for the balance of that Spending Account year (January first [1st] to December thirty first [31st]) while on layoff.

Default Option and Unused Funds

Each year Employees will be provided with a form designed for them to allocate their Spending Account dollars between the two available accounts. Should the Employee not return their allocation form by the appointed date or if the allocation form is incomplete, the default option will be one hundred percent (100%) to the non-taxable Health Care Spending Account (HCSA). This is irrevocable and there will be no opportunity for late submission.

Unused funds left in either the HCSA or the PSA at the end of each year will be carried forward to the following year. There is a maximum carry forward of one (1) year. If these funds are not used during the year to which they have been carried forward, they will be forfeited at the end of the carry forward year. Forfeited funds will not be available to be reallocated, paid out or credited to the Employee.

As per Canada Revenue Agency (CRA) rules governing the Flexible Spending / Quality of Life Account identified under the prior collective, any unused funds from the 2016 allocation will be carried forward to the 2017 calendar year.

Eligible Expenses

The HCSA and PSA are designed to cover different types of expenses as described below. Reimbursement will be provided upon submission of an original receipt.

Where the Employer chooses to contract with an insurer for the administration of the Benefits Spending Accounts, the administration of the Accounts shall be subject to and governed by the terms and conditions of the applicable contract between the Employer and the Administrator.
