

Andre Oullette responses
Candidate for Grande Prairie Public School Trustee

#1

The draft curriculum has to be looked at again.
There are many flaws that need to be address.
So yes we need to scrap it.

#2

We need to lobby the government for more funding, the funding formula is not sufficient for our division.
Our funding has been cut and we need to ask the government for more funding.
Fact based information must be sent to the government.

#3

We need to look deep into this situation to see what is best for all.
We have an obligation as a trustee and a board.

#4

I support the collective bargaining rights of the Alberta Teachers Association.

#5

Our teachers our school community need our support.
We cannot see cuts to pension plans.
Striking is the last thing we need and all parties need to work together.

#6

I support the need for masks in schools, I do not believe the government should of put this decision on Trustees.
I do not believe I have the right to tell anyone to get a vaccine if they do not want to.
I am fully vaccinated and I feel it is best.
