Candidate for Ponoka Town Councillor

- 1) I have very little working knowledge of P3 partnerships, but what I have been able to garner is they are great for government bureaucracy, as was stated, but can take a very long time for projects to come to fruition. P3 Partnerships would be an area that I would need to research to better understand so I do not feel comfortable providing an answer when I am not "informed" enough.
- 2) Yes. I believe the employees of a municipality need to be compensated for their positions held; but there needs to be a balance as the municipality must remain fiscally responsible.
- 3) The current Premier himself keeps saying "Everyone has the right to protest."
- 4) As a community we need to come together and address the issues that may be facing our municipality. Funding cuts can come in many possible areas and don't always have to mean personnel.
- 5) Yes. Our current government has been negligent and mishandled and misinformed on this pandemic from the beginning. Unfortunately when you speak without knowing fully what you speak about, it is very difficult to do a 180 and have the public on board!
- 6) n/a
