Candidate for Calgary City Council Ward 10

1. Yes i will oppose privatization of municipal services.. Yes i will support bringing back previously privatized services in-house.
2. Yes I will support calgary employees with their democratic rights. Yes I will oppose any attempt from Provincial govt. to legislate against municipal staff.It is just common sense..
3. I am certainly against tax increase but I believe there are many other solutions to increase the revenue i.e cutting wasteful spending bailing out big corporations.
4. Yes I do support necessary measures to stop the spread of COVID-19.
5. I do not support elimination of Transit fares _but I do believe in low fares to keep the services and find other solutions for the revenues.
