**Candidate for Grande Prairie City Council**

1. It depends. There are some skill sets and resources we need to have the private sector lead with our joint effort.
2. Yes
3. Yes
4. It depends it needs to be a balance depending on the specific situation.
5. As a municipality we need to follow provincial and federal mandates.
  
6. I would like to see more low income funding. Full funding requires individual service review to offset cost.
