Good morning below are my answers.

1. Will you oppose privatization of municipal services and infrastructure, including Public-Private Partnerships aka P3s? Will you support bringing previously privatized services in-house? **NEED TO LEARN MORE ABOUT THIS ISSUE**
2. Will you support your employees and your community by ensuring the municipality employs staff with living wages, full-time hours where desired, job security, and collective bargaining rights? **YES**
3. Will you oppose attempts from the provincial government to legislate against municipal staff including cuts to the Local Authorities Pension **YES**
4. How do you propose your municipality deal with funding shortfalls, cuts, and downloading of responsibilities from federal and provincial governments? Do you favour spending cuts over tax increases? **I DO NOT SUPPORT TAX INCREASES RATHER I WOULD LOOK FOR INEFFICIENCY IN THE EXISTING BUDGET.**
5. Do you support measures such as mask mandates, vaccine "passports", and vaccine mandates for staff to limit and reduce the spread of COVID-19 in your municipality? **YES**
6. Do you support measures to reduce municipal reliance on services fees and fares, such as eliminating transit fares? **NEED TO LEARN MORE ABOUT THIS ISSUE.**

This is a reminder that AUPE's Committee On Political Action's survey sent a couple weeks ago was asked to be completed for Tuesday, September 28. We appreciate your time is limited; however, we'd like to provide our members with as many responses as possible. With advance polls opening soon, we'd like to encourage a **response by Monday, October 4th.**

If you intend to complete the survey, could you please let me know, as well as if you think you need additional time. The responses or lack thereof will be published next week.
