

BARGAINING UPDATE

HAWTHORNE, SAINT ELIZABETH HEALTH CARE LOCAL 048 CHAPTER 055 - ALL STAFF

Take the survey for your first contract!

Your new negotiating team is going to start bargaining soon. We will be bargaining for our first ever collective agreement, which will make life better for all of us at work. But before we bargain, we need to know what you think is important.

Visit www.surveymonkey.com/r/Hawthorne2023 to take our survey. Please complete the survey before it closes on Monday, February 20th.

This is your chance to show your negotiating team what matters to you. We need to hear everyone's opinions on how to make work better for all of us.

Better wages, better benefits, changes to your hours, overtime, shifts and vacations. These are all issues that we can fight for in bargaining.

This is the power of joining a union. We can use our united voice to make positive changes for us and the residents we care for.

Please do not take the survey during work time – only on your break or day off.

If you have any questions, please contact a member of your negotiating team or AUPE resource staff.
