

BARGAINING UPDATE

REVERA CHURCHILL LOCAL 047 CHAPTER 007 - ALL STAFF

Preparing for bargaining

Stay tuned for upcoming engagement opportunities

With bargaining quickly approaching, your negotiating team is preparing to begin the process. Please keep an eye on your inbox then to be sure to complete the survey by the **March 7 deadline**.

It is important to note that if you did not receive this bargaining update through email, it means that we do not have your personal email address. It is important that we do so we can keep you informed throughout the bargaining process. Please provide your updated contact information to your negotiating team or fill out this form by clicking here.

Your negotiating team will be on the worksite on **February 28** from **11:30 A.M. to 5:00 P.M.** in order to help you complete the survey. You can come by while on break or before/after your

shift but not while you're on the clock. Please note that that is the same date and location for the **AGM** which will be from **2:00 P.M. to 4:00 P.M.** The chapter is seeking people to put their names forward for election to a variety of union positions. No experience is necessary and the only criteria we are looking for is a willingness to support your coworkers. Contact your MSO or negotiating team for more information on the available roles.

Please reach out to your negotiating team with any questions or concerns.
