# Welcome to AUPE

**WESTERN  
CANADA'S  
LARGEST  
UNION**

The Alberta Union of Provincial Employees is a diverse, independent, non-partisan union standing over 95,000 members strong. AUPE members work in a variety of jobs including provincial government services, health care, education, boards, agencies, municipal services, and private companies.

Your AUPE collective agreement helps you with:

1. Job protection
2. More money with better extended health benefits
3. Generous vacation benefits
4. Access to more professional development and education opportunities than non-union employees

As an AUPE member, you have joined thousands of fellow Albertans who use the power of solidarity to improve our livelihoods and defend our rights in the workplace.

## Education Opportunities

AUPE Education offers several courses for members throughout the year, including our annual Labour School.

Start your AUPE Education journey at [www.aupe.org/training](http://www.aupe.org/training)

All members start with our Intro to Your Union course. After that, the door opens for courses on occupational health and safety, picket captain training, direct action, and more. Members receive time off for union business for all in-person courses.

## New Member Zoom Orientation

**Questions about AUPE? You're not alone.**

AUPE new member orientation sessions will be held on the third Thursday of every month at 9:30 a.m. and 7:00 p.m. on Zoom.
