

BARGAINING UPDATE

CBI HOME HEALTH LOCAL 047 CHAPTER 008 – ALL STAFF

Members vote to ratify new agreement!

Thank you for your patience and support!

Your negotiating team is pleased to report that the ratification vote is now complete, and members of CBI Home Health have voted in favour of ratifying the tentative agreement.

This agreement is now in effect, although it will take some time for the employer to implement the new wage rates and other changes. Retroactive payments are to be made within three pay periods of ratification.

Your negotiating team has requested a breakdown of employees' hours that are eligible for retro pay and we will keep members informed as that request is fulfilled.

Highlights from the new agreement can be found in our previous update, which you can read by scanning the QR code.

Bargaining this agreement has been a long road with many challenges and delays, but members' active engagement and support has carried

us over the finish line. Your negotiating team is grateful to members for getting us here!

If you have any questions about this update, please reach out to a member of your negotiating team.
