SPECIAL AREAS BOARD LOCAL 118 CHAPTER 020 - ALL STAFF

Special Areas Board members, please take this crucial survey

Tell us what you need to see in the next contract with your employer

In preparation for negotiations, your negotiating team members will personally distribute a survey to gather your valuable input. Please ensure to complete it by the deadline of January 31, 2024, either in print or online via the provided link.

Your commitment to this process is appreciated, and we look forward to your active participation.

We understand the challenges posed by the current economic landscape in Alberta, including factors such as inflation, high interest rates and the rising cost of living. Despite these difficult times, our commitment remains steadfast to negotiating a collective agreement that addresses the unique needs of our members.

We recognize the importance of building a positive and collaborative relationship with the Special Areas Board. Our shared goal is to create an agreement that not only navigates these economic challenges but also aligns with the interests of both parties. The survey is a key step in this process, and your participation is crucial in identifying the priorities for this round.

Together, we can work towards a mutually beneficial outcome that acknowledges the economic realities our members are facing while fostering a cooperative relationship with the Special Areas Board.
