

BARGAINING UPDATE

CAREWEST GENERAL SUPPORT SERVICES LOCAL 048 CHAPTERS 008, 009, 010, 035

Bargaining begins in September

Your negotiating team met on June 24 and 25 to prepare for bargaining.

We reviewed all the responses to our bargaining survey. Thank you for sharing your opinions with us! We will create our bargaining proposals based on the issues you identified as most important.

Bargaining is scheduled to start on Sept. 11, 2024. AUPE members across the province are wearing red to support bargaining this year, and now it's our turn! Wear red to show our solidarity, especially when we begin bargaining in the fall.

You should also [create a MyAUPE account](#) on the union's website if you have not already. Doing so is the best way to see the latest updates and ensure AUPE has your current contact information.

Please contact a member of your negotiating team if you have any questions.
