Fill out your bargaining survey online!

Bargaining update for Local 047 Chapter 022, Venta Care Centre (NC)

Your negotiating team needs your help before we begin bargaining! We want to know your concerns and priorities.

Check your email inbox for the bargaining survey link. The survey is available starting on June 10. Please **complete it by June 24**. If you would prefer to fill out a paper version, please contact your negotiating team.

It's important we all have our say. Our next collective agreement will decide our wages, health benefits, paid vacations, and more. Your input is crucial to help us create bargaining proposals that address the workplace issues that matter.

All survey answers are anonymous and no individual responses will be shared with your employer. We will review the results on July 23.

Update your MyAUPE account

Ensure AUPE has your most current contact information at www.aupe.org/update-info so you receive the survey and future bargaining updates.

If you update your email address after we have sent the survey, please contact a member of the negotiating team. Everyone's participation is critical.

Urgent Bargaining Town Halls

AUPE's Time for Action bargaining town halls are happening throughout June and all members are invited. Please visit the town hall website for details on the town hall nearest you.

You will also receive email invitations, shareable posters, and timely reminders to ensure everyone has the chance to attend. All AUPE members are encouraged to join these urgent town halls.

Please contact a member of your negotiating team if you have any questions about bargaining.
