

BARGAINING UPDATE

WHITEHORN VILLAGE LOCAL 048 CHAPTER 051 – NURSING CARE

Negotiating team secures \$2 increase Your negotiating team has secured the \$2 top-up.

In our last update, we said we had filed a complaint with the Labour Board because Whitehorn did not agree with the \$2 top-up we had settled on. That issue is now resolved. We are glad we secured the \$2 top-up quickly, without getting caught in a long litigation process.

\$2 will be permanently added to the Health Care Aide pay grid as of January 1, 2024. You will also receive the \$2 for each hour you have worked since January 1 in the form of retroactive pay.

The new hourly wage for HCAs will be \$26.87.

Your patience and support have been greatly appreciated throughout this process.
