

BARGAINING UPDATE

GOOD SAMARITAN SOCIETY LOCAL 042 - CONTINUING CARE STAFF

Good Sam Society: A strong start at the bargaining table starts with you!

Complete your AUPE bargaining survey by August 23.

It's time to get involved

AUPE members working at Good Samaritan Society worksites across the province are short staffed, burned out, and frustrated. This cannot continue.

Your AUPE negotiating team must hear from you about the issues that matter so they can fight for them.

It takes only a moment to complete this bargaining survey and make sure your negotiating team knows about the issues that matter to you.

Your negotiating team needs to know how to make all our lives better. Share what matters to you and help your negotiating team fight for better wages, benefits, and working conditions.

For more information or questions about this bargaining update, please contact your negotiating team.
