

# BARGAINING UPDATE

**ALBERTA HEALTH SERVICES NURSING CARE  
LOCALS 041, 043, 044, 045, 046**

## Take the new Nursing Care bargaining survey

Take the urgent new bargaining survey about your hours of work!

Check your personal email for the link to our bargaining survey. If you did not receive this email, please contact a member of your negotiating team to receive it and update your information. The deadline to complete the survey is August 19.

Your negotiating team has created this new hours of work survey to help advocate for you at the bargaining table. The information you give us will help us fight for positive changes to our schedules.

We want to focus on the issues that are most important to us, and we need your input to do so. But we also need your support. Your team can't do this alone. We must all do our part to support bargaining, from wearing red at work, to attending rallies, and more.

Please contact a member of your negotiating team if you have any questions about the survey.
