

BARGAINING UPDATE

**SHEPHERD'S CARE FOUNDATION
LOCAL 047 CHAPTERS 011, 014, 018, 027, & 033**

Check email for important bargaining survey

Your negotiating team is getting ready to begin bargaining. We need to hear your concerns and priorities!

Check your email inbox for the link to our bargaining survey, which we sent on September 11. The **deadline** to complete it is **Wednesday, October 2**.

We need to know what matters most to you. Is it workloads? Higher wages and better benefits? Your priorities will inform our demands at the bargaining table.

Negotiating a new collective agreement is an important process and we can't do it without you. Complete our bargaining survey to help us advocate for what matters.

All survey answers will be kept private and confidential—no individual responses will be shared with management.

Next meetings

Your negotiating team will meet in October to review the survey results. We will also confirm bargaining dates with the employer soon. Watch for updates.

Please contact a member of your negotiating team if you have any questions.
