

BARGAINING UPDATE

MCCONACHIE GARDENS LOCAL 047 CHAPTER 058 – ALL STAFF

Bargaining survey open until October 17

Join your negotiating team for two drop-in Q&A sessions

Bargaining begins soon and your team needs your help to prepare. Completing our bargaining survey helps us advocate for what matters at our worksite – we truly can't do it without you!

Bargaining is an opportunity to change the key issues that impact you every day, from short staffing to wages and benefits. The bargaining survey results will tell us what your priorities are and what to focus on at the table. Your negotiating team is committed to fighting for those priorities and the improvements you deserve.

The survey is open for just a few more weeks, so don't miss your chance to have your say!

Q&A sessions — meet your negotiating team

Your negotiating team is hosting drop-in sessions to help you fill in the bargaining survey on **September 25 and 28** from **1 – 4 PM** in the **lunchroom**. Join us to talk about bargaining and ask your important questions.

Please feel free to contact your negotiating team if you have any questions.

**Check your email
to complete the
bargaining survey
before October 17!**
