COMMITTEES

Local 005 establishes the following standing committees: to provide a variety of services to the Local:

The **Finance Committee** assists the Treasurer in the performance of their duties and provides oversight regarding the financial affairs of the Local.

The **Employee Relations Committee** (ERC), as established in Subsidiary #5 of our Collective Agreement, is a joint Committee between the employer and Natural Resources Conservation Services employees to discuss matters of mutual interest. They address non-bargaining issues.

The Chair of the **Bargaining Committee** represents Local 005 on the Government Services Bargaining Committee (all the Government Services Locals bargain as a single unit). As this is a big job, the committee members assist the Chair in the bargaining process. The bargaining committee can be reached at bargaininglocal005@aupe.ca.

The **Inclusion, Diversity and Equity Committee** advances inclusion in the workplace and seeks solutions to replace racism and other forms of discrimination with solidarity.

The **Promotional Products Committee** distributes swag to members.
