

# REPORT YOUR OHS ISSUES

WORKER
WITH AN
OHS ISSUE

Report the issue to your employer through designated system and inform your manager

Employer to review and respond back to the worker about the report outcome

**Issue still not resolved:** 

Call the Resource Centre to speak to your Membership Services Officer 1-800-232-7284

REPORT THE ISSUE TO AUPE

AUPE OHS advisors and Standing Committee reviews reports, may follow-up accordingly

Speak to your worksite contact who can inform the JWHSC and/or Local OHS liaison of issues at worksite

## Workplace Health and Safety Committee (WHSC) (AUPE reps selected/appointed by chapter/local)

- Made up of both union and employer reps from the worksite
- Addresses escalated OHS issues brought forward by any party at the worksite

#### Local OHS Liaison (elected by local):

- Key communicator between local and standing committee
- Educator
- Point of contact on local issues

#### OHS Standing Committee (Apply though AUPE and be selected):

- Oversees and addresses global AUPE OHS issues and reports to the members
- Promotion of education to the members

### How can I get involved in the safety of my worksite?

- Take AUPE education intro to union and OHS
- Go to chapter meeting/
  AGM meet your
  executive
- Become a worksite contact
- Speak to chapter executive to ask about site JWHSC opportunities

- Speak to local executive about OHS opportunities/ concerns
- Come to Convention
- Put name forward for standing committee
