NOMINATION FORM

DEADLINE: MARCH 1

The AUPE Occupational Health & Safety Committee is now accepting nominations for the Roly Sumlak Award.

The *Roly Sumlak Award*, commissioned by Local 012 in 1990, commemorates the untimely workplace fatality of Roly Sumlak. The award is presented to a member who demonstrates activism in occupational health and safety at the worksite.

The Committee will perform anonymous reviews of each application, considering only the relevant accomplishments without knowing the nominee's personal identification. Please include as much detail as possible to help the Committee make their decision.

The Committee shall make a final selection and notify the Local Chairs in mid-April, with regards to the receipt and dispensation of their nominations.

Arrangements will be made to have the successful nominee receive the award at the Day of Mourning ceremony.
