

BARGAINING UPDATE

ASPEN RIDGE LOCAL 047 CHAPTER 041 - ALL STAFF

Aspen Ridge: We need to hear from you!

Your negotiating team is still hard at work pushing for the gains you deserve for your tireless efforts. With wage negotiations beginning in early January, bargaining has reached a critical point.

We need to hear from you! Check your email inbox for a critical bargaining issues survey link!

We are fighting hard for living wages for all workers, with no one paid lower than \$18.90/hour, and cost of living adjustments (COLA), with wages rising at least as high as inflation every year. How do you feel about these wage demands? What are your priorities? Let us know by filling out the survey by **February 18**.

We have heard from LPNs that the collective agreement is not being followed when it comes to scheduling. We'd need feedback from LPNs on how to address this key issue. You will find related questions on the survey.

Wear red on bargaining dates

Thank you to all members who have been wearing red on bargaining dates. It is a powerful way to show the employer that we are united in fighting for the wages and working conditions we deserve. We will meet again on **March 19 and 20**. Our committee will be meeting the employer in Edmonton, but you can still wear red at work to show your support.

Get involved

It's time to step up and take further action to show the employer we mean business! Your negotiating team will be reaching out to let you know how you can get involved.

Please reach out to a member of your negotiating team if you have any questions or concerns.
