

BARGAINING UPDATE

AGECARE COLUMBIA LOCAL 084 CHAPTER 003

Time for arbitration

After a lengthy delay, your negotiating team is finally meeting AgeCare for arbitration on March 25 and 26, 2025.

Bargaining can be a long process—especially when the employer causes delays.

When your negotiating team met with the employer in August 2023, it was clear AgeCare had no interest in improving their offer or resolving the issues you said were most important to you. We were left baffled and frustrated, but even more determined to fight for what we deserve.

We have strong arguments to present to the arbitrator.

Wear red

Show solidarity with your negotiating team by wearing red on March 25 and 26! If you take any photos of you and your coworkers, send them to photos@aupe.org for us to share on AUPE's social media.

Please contact a member of your negotiating team if you have any questions.
