

# MEMBER UPDATE

## Attention Local 002 members: It's vital you have a MyAUPE account

Are you ready for the next step in bargaining with the Government of Alberta (GOA)?

Things are heating up. If you do not already have a **MyAUPE account, now is the time.**

### You need a MyAUPE account to:

- Vote on a tentative agreement.
- Vote on taking strike action; and
- Receive strike pay in the event of a strike.

Your negotiating team, the Government Services Bargaining Committee (GSBC), is working

hard to get a deal at the table, but we need to be prepared if that doesn't happen.

This is your union and these are your negotiations. Please ensure you have a MyAUPE account so you can have your say.

If you already have an account, please make sure your contact details are up to date.

In solidarity,

Lorraine Ellis, Local 002  
GSBC Representative
