

BARGAINING UPDATE

RIVERCREST LODGE LOCAL 047 CHAPTER 036 - ALL STAFF

Rivercrest Lodge Bargaining Update #1: Let's get started!

Your negotiating team is gearing up for bargaining and needs your help!

We've held our bargaining orientation and will meet again to create a bargaining survey to share with you.

Our bargaining survey is very important. Please make sure your MyAUPE account is up to date with your personal email and phone number to receive the survey. You don't want to miss your chance to tell us what matters most in bargaining!

The survey is a powerful tool to show the employer what we need to improve at our worksite. It also shows we are united in solidarity and helps us create our proposals.

Keep an eye on your email inbox, AUPE's social media, and aupe.org for important union updates, such as bargaining meeting dates and opportunities to get engaged, like signing up to be a worksite contact.

Let's work together to negotiate a fair collective agreement!
