

BARGAINING UPDATE

ST. PAUL ABILITIES NETWORK (SPAN) LOCAL 047 CHAPTER 063 – ALL STAFF

SPAN: Bargaining mainly focused on housekeeping on non-monetary items

Negotiations are in full swing with a focus on non-monetary items.

Your negotiating team met with the employer on March 31 to discuss our non-monetary proposal. Bargaining talks moved forward as planned with the employer agreeing to most of the housekeeping items we presented.

We will be having more in-depth conversations about scheduling and hours of work when we start monetary discussions.

The next bargaining meeting with the employer will be held May 9.

Wear red on May 9

Never miss an opportunity to show workers are united!

Wearing red on bargaining meeting days sends a strong message to the employer. It tells them we're engaged and are standing in solidarity with our negotiating team members.
